

Lines from Leigh

Dear Friends,

We have had a welcomed taste of spring, which probably will not last long, but we are thankful! I hope that has energized you for the wintry weeks still ahead.

You all are to be commended for the healthy response rate to the congregational survey - when it is closed Feb. 15, I know we will have loads of valuable for the Mission Study Team (MST) to use in preparing its report. You will be introduced to them on Feb. 24 at the pot luck congregational gathering after worship.

Here is my next request: Please take a moment to think of a BOOK OF THE BIBLE, or passage in a book, which you have never heard a sermon on. After Easter, I will do a 6 or 8 week "Things You've Never Heard Before" series. Make a note on a slip of paper or a prayer card from the pew and put it in the offering plate. I can't get to them all, but I look forward to challenging us all with some "unheard stories."

See you Sunday! Blessings,  
Pastor Leigh
